

PROCEDURE PACKS

MDDI is an innovator in the supply of single-use solutions and works in collaboration with our customers to ensure that all products developed are extensively researched and tested prior to launch.

Our kits contain various components, primarily featuring a selection of drapes of various sizes and absorbent qualities as well as an array of items from gowns and caps, through to suction tubing and X-ray gauze.

Using Procedure Packs can assist healthcare providers to:
reduce the time taken for each procedure, improve the quality of care, cut costs.
